Principal's Message

Wow, I cannot believe that we have come to the end of the second month in the new year.

We have had our first fundraising event for 2023 on Valentine's Day and I would like to thank all our families for the generous donations we received. We have raised over R12 500 that will be used to purchase new readers in Grades 2 and 3 at this time. Please be on the lookout for our next fundraising event where we hope to raise enough money to redo our hall floor.

Load shedding has been a challenge for us at home and at school, but as we have been informed in the news, it is here to stay for a while. At school when it comes to receiving and making phone calls it has been a real nightmare as parents cannot contact us in an emergency and visa versa. With the help of our service provider we have started a trial for the next month using an alternative programme to overcome this challenge, and it has proven to be successful thus far. One challenge that we have hopefully overcome in relation to load shedding.

As we start the season of Lent may we all show mercy to others and reflect on doing good in all circumstances.

‘God never tires of forgiving us; we are the ones who tire of seeking His mercy’ - Pope Francis

God bless

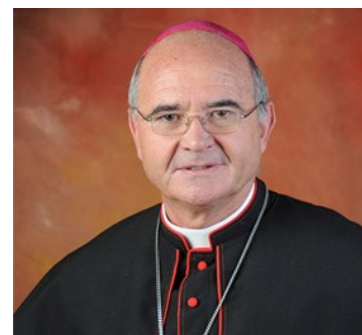

Mrs B Fisher

Catholic
Education

The Catholic Schools office hosted a Teachers Mass on the 26th of January at the Immaculate Conception Catholic Church in Parrow. The
