Term Three Extra—mural Programme

There is a time for everything, and a season for every activity under the heavens: a time to be born and a time to die, a time to plant and a time to uproot, a time to kill and a time to heal, a time to tear down and a time to build, a time to weep and a time to laugh, a time to mourn and a time to dance, a time to scatter stones and a time to gather them, a time to embrace and a time to refrain from embracing, a time to search and a time to give up, a time to keep and a time to throw away, a time to tear and a time to mend, a time to be silent and a time to speak, a time to love and a time to hate, a time for war and a time for peace.

Principal's Message

Dear Parents/Guardians

As another busy term comes to an end, I would like to acknowledge and thank all the staff and learners who have worked so hard and gone the extra mile to ensure that it has been a happy and successful term. I wish to pay tribute to those parents who have been so supportive in our various initiatives and fundraising events throughout the term, your positive attitude has been so welcoming. A very special thank you to our dedicated teachers who have recently spent long hours setting assessments and marking papers, thereby ensuring that we can close off the academic term with the issuing of reports.

This past week we hosted a book week to encourage reading within our school community. On Monday learners and staff dressed up in their favorite book character and decorated their classroom doors representing a favorite book of the class. Learners wrote the Annual SPELLATHON and decorated book markers on the Tuesday and, on Wednesday a group of senior learners put on a showcase with different extracts from various well known books. Last night we invited the younger learners and their parents to a reading evening in the school hall.

Our fundraising event for term 2 was the collecting of sponsors for the annual **SPELLATHON** and we raised **R 20 000**. The money raised as indicated in the newsletter of 10 May, will be used to put blinds in two classrooms. We were hoping to raise much more money so that we could place blinds in more classrooms but unfortunately this will not be possible as many cards were returned with no sponsors collected. Kindly ensure that all outstanding sponsor cards are returned to school as soon as possible for auditing purposes. Riley Bekker in Grade R won the grand prize for collecting the most money, thank you to her parents for assisting her.

Please keep the Buxey family in your prayers as Max in Grade 7 and Sofia in Grade 5 lost their dad last week. We pray to God to comfort them during this very sad time.

Term 3 begins 18 July, which is also when we celebrate Madeba Day in South Africa. To commemorate this day, we request learners to bring one fruit to school that we will donate to St Mary's Retreat.

During the school holidays keep safe, keep warm and keep doing your best.

Wishing you a happy and blessed winter break.

God bless
