Principal's Message

Dear Parents/Guardians and Learners

I would like to extend a warm welcome to Term Two of the school year. I hope you all had a wonderful break and that our children are feeling refreshed and ready to dive back into your studies.

As we move forward in our academic journey, I encourage you to stay focused, engaged, and committed to your learning. Let's work together to create a supportive and inclusive environment where everyone feels valued and respected.

Remember that your teachers are here to support you and are always available to answer any questions you may have. Don't hesitate to reach out to them for guidance or extra help.

I wish to take this opportunity to thank all the families who so generously donated towards the Easter Egg Drive at the end of last term. Our small community donated over 2800 marshmallow Easter Eggs to a small farming community in Phillipi and two primary schools. The communities of St Mary's Retreat, Douglas Road Primary and the Phillipi farm children, extends their heartfelt thanks for bringing smiles to the faces of the children in their communities. "God loves a cheerful giver" Please look out for more information about our outreach planned for Term 2.

The foundation phase camp out was a lovely community builder and those who were able to attend had a fabulous time connecting with other parents. I know it was short notice and apologize for any inconvenience caused. We will definitely be doing another camp out in Term 4. Thank you to all who made this event possible, especially Mrs Conradie (Gr R parent) who initiated it with a team of other parents. We appreciate your interest in building our school community.

Our fundraising event for this term is our Annual SPELLATHON learners will receive their sponsor cards on 8 May that must be returned with the money sponsored by 31 May. Learners will receive the list of words on 29 May and will write the 2023 SPELLATHON on 20 June, after the Mid—Year Assessments. Thank you for your continued support at our fundraising events.

It gives me great joy to report on our 2022 Systemic results, well done to all staff and learners. Every year all Grades 3, 6 and 9 learners in the Western Cape undergo systemic testing in Home Language and Mathematics by the WCED. Our results are as follows:

Grade	Subject	School Result	Provincial Result
Three	English	91.2%	38.5%
Three	Mathematics	94.1%	47.3%
Six	English	83.9%	36.1%
Six	Mathematics	83.9%	39.4%

I wish our learners all the best as we embark on this new term together. Let's make it a great one!

God bless

Mrs B Fisher

Thank you
